Dear Sir:

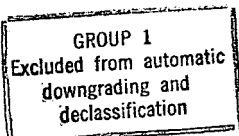

Through recent conversation with [redacted] TSO, CIA, I have learned of the possibility of obtaining U-2 photography through training flight operations within the United States. Such photography could be used to fill TK holiday areas and would facilitate our mapping operations.

Accordingly, I would appreciate an opportunity to discuss this matter with you in detail and hopefully develop arrangements that will result in obtaining specified U-2 photography supportive to our programs. The Special Projects Office would be pleased to host such a meeting, if you so desire.

Sincerely yours,

Winston Sibert
Chief, Special Projects Office
